PHYSICAL EDUCATION PROGRAMS FOR SCHOOLS

Dear Parents/Carers,

In Term 4, Stage One students will be participating in Dancefever's Gymnastics program organised by an experienced external provider, 'Dancefever Multisport'.

Dancefever Multisport have been teaching physical education programs in primary schools since 1999 and are currently teaching in over 750 schools across NSW.

Dancefever Multisport will provide staff who will teach the students Gymnastics skills, including landing, rotation, balance, acrobatics and circus skills. The program is structured for all ages and abilities and the students will not only learn Gymnastics skills, but they will improve their coordination, flexibility, agility and strength. The program is aligned with the PDHPE curriculum.

The cost of the 8 week program (\$40) will be included in your child's Term 4 invoice. Refunds will not be provided if your child is absent from a lesson due to the program being conducted by an outsourced provider.

The program will run on a Thursday as their sport lesson for the week. Please ensure your child is dressed in full sports uniform, including appropriate footwear on Thursdays.

Please complete the permission note below and return it to your child's class teacher by Wednesday 21st September (week 10).

Kind Regards,

Stage One Teachers
