

The School Toilet Project

It is time to paint the doors in the junior toilet block! We need our creative/ artistic students to design a door.

In conjunction with the Student Representative Council and school funds, we are running a toilet door design competition. We know that this will make our school toilets a more inviting and welcoming space.

Students are encouraged to tell us what they would like to see on the doors. Positive quotes are important and simple artworks can be included as well. Students whose artwork is selected, will meet with our local artist, Mr Nilal Kulatunga to have their design recreated onto one of the doors. The cost to enter this competition is \$1, which was set by the SRC and money raised will be used to support the implementation of this project.

Entries are due by Wednesday 21st September! Get busy designing!
