Growing Strong Reaching Far

Wednesday 22<sup>nd</sup> July 2022

Dear Parents,

On Friday 19th August, your child will be involved in running a stall at the 2022 Year 6 Fun Day. Please be sure to put this date in your diary.

Fun Day is the major homework task for Term 3, as it will entail many collaborative planning sessions to ensure the stall is ready by Fun Day. The event is a demonstration of students' skills in: organisation, responsibility, group work, cooperation, leadership, creative advertising and budgeting.

Groups have been planning for the last two weeks and activities have been allocated on a first-in-basis. Your child's stall is the \_\_\_\_\_ and the group consists of:

- |          |           |
|----------|-----------|
| 1) _____ | 6) _____  |
| 2) _____ | 7) _____  |
| 3) _____ | 8) _____  |
| 4) _____ | 9) _____  |
| 5) _____ | 10) _____ |

The cost of this activity is strictly \$20 per student. A labelled envelope with \$20 cash is to be given to the *Treasurer* of the group by Friday 21<sup>st</sup> August. Therefore a typical group of 4 will have a budget of \$80 to work with. This is to include prizes, cardboard for advertising and items for sale... everything!

Groups are encouraged to elect roles so that each member is responsible for ensuring all tasks are undertaken, eg *leader* – organiser of meetings, *treasurer* – collector of money, *purchaser* – bargain hunter, *advertising expert* – poster designs.

Parents please note – this event is to be organised and planned by the Year 6 students. They are to hold the meetings with their group to plan, organise, advertise and implement their stall idea.

Money raised at this event will be divided between the following:

- Subsidy for the cost of the Year 6 Dinner Dance
- Purchase of a parting gift to the school

Yours Sincerely,

Mrs B Cartwright  
Mrs M Piana  
Mr M Fownes
